

All-Natural Fat Binding Complex for Healthy Weightloss*

MAXIMIZE

LipoCal

- Inhibits the absorption of dietary fat*
- Maximizes weight loss*
- Stabilizes blood sugar*

Lipo-Cal™ is a new all-natural formula that is receiving rave reviews for addressing the multiple factors that can lead to healthy weight loss. Lipo-Cal's proprietary blend of potent natural ingredients has been shown in controlled clinical trials to boost fat burning, improve fat metabolism, convert protein into lean muscle, and turn sugar into an available energy source. Remarkably, Lipo-Cal™ even blocks the absorption of up to 25% of dietary fat when taken with meals.

LIPO-CAL'S UNIQUE WEIGHT-LOSS INGREDIENTS INCLUDE:

Liposan Ultra®, a unique fat-binding complex derived from the fibrous outer shells of crustaceans. Its enhanced, quickly dissolving formula enables Liposan Ultra's fat-binding properties to begin working immediately during the course of a meal.

Prickly Pear, an edible cactus plant popular in Central America is another fat-blocking ingredient found in Lipo-Cal™. High in antioxidants and calcium, and prickly pear is a healthy weight loss aid that enhances energy while blocking the absorption of fat and sugars into the digestive system.

All-natural organic AlgaeCal® with over 70 trace minerals and large amounts of calcium and magnesium. Researchers believe that calcium in individual fat cells facilitates the fat-burning process.

ChromeMate®, a patented form of biologically active chromium nicotinate. By increasing insulin activity, ChromeMate® helps to metabolize fat, convert protein into muscle, and turn sugar into an available energy source - vital components in a well-rounded weight loss program.

Lipo-Cal's potent weight-loss formula promises to put you on the road to desired weight loss, both safely and effectively.

UPC: 8-00326-50009-9
 Item#: LIPO-50009
 Size: 90 Capsules
 Bottles per case: 12
 Bottle dimensions: 2" x 2" x 4 1/4"
 Case dimensions: 5 1/2" x 7 1/4" x 9"
 Weight per case: 2.0 lbs
 MSRP: \$39.99
