Serving Size 2 Veggie Capsules
Servings Per Container 30

Active Ingredients	Amount per serving	%DV
Mulberry Leaf Extract	10:1	500mg

**Daily Value not established

Manufactured in a
GMP facility

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Offer Your Customers a Healthy Way to:

- 1. Lower Blood Sugar** - *The leaves contain a compound called deoxynojirimycin (DNJ) which can help inhibit sugar absorption.*
- 2. Block Cholesterol Build Up** – *The antioxidant flavonoids in the leaves help reduce LDL or “bad cholesterol” which contributes to plaque buildup and hardening of the arteries.*
- 3. Prevent Diabetes** - *Studies suggest the leaves help control blood sugar levels by preventing spikes in glucose and insulin which can lower the risk of developing diabetes.*
- 4. Curb Cravings** – *Because white mulberry helps stabilize blood sugar levels, it’s likely to make customers feel satisfied after eating and not craving for more.*
- 5. Get Nutrients Naturally** - *Unlike many supplements and medicines, white mulberry extract contains no caffeine or chemicals. It is a great source of protein, fiber and vitamin C for customers!*

Made in the USA
